Here are some suggestions:

- ❄️ **Dogsledding Excursion** – Become one with winter: go on a dogsledding adventure! Before heading off, make friends with these magnificent animals who await only your signal to spring into action. Learn how to drive the sled yourself with the help of a professional guide, also known as a “musher”.
- ❄️ **Snowboarding & Skiing at Stoneham or Mont Sainte-Anne Resorts** - Fans of every kind of skiing, come take advantage of the exceptional conditions available in Québec! With an average annual snowfall of 3 m (10 ft.) from November to April, it's pure bliss!
- ❄️ **Snowshoes, chocolate/toffee and igloo** – This is a very original outing that students groups really enjoy. Follow a track that leads to an igloo and an ice kitchen, where you enjoy some fruits with chocolate. After that, go back snowshoeing in off-trails and take a great delight in going down in the powder snow!
- ❄️ **Winter Camping Experience*** – Spend a night in the forest in a *Prospector's camp* or an *Igloo!* Fully equipped, these two types of camps will keep you warm and will make you see Québec's winters from a new point of view.

**Limited availability!*
